

# Double Shot Espresso Frappe

Make it your own!

# VIRTUE+

Our master blenders have developed a range of Iced Blended beverage mixes that deliver true summer café indulgence. Suitable for blenders or granita machines.

Follow the recipe below for the perfect frappe!

## The perfect serve...

### BLENDER (Based on 475mL cup)

#### INGREDIENTS

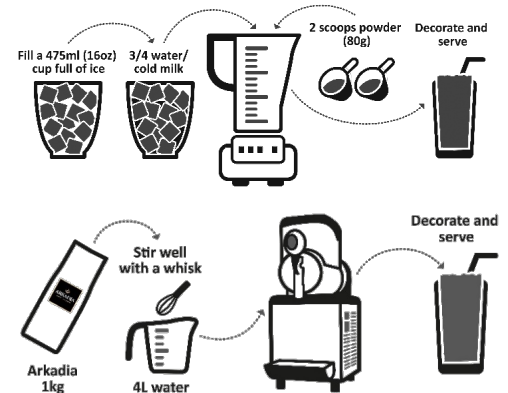

475mL (16oz) cup Cold water/milk  
Ice cubes 80g of Double Shot Espresso Frappe Powder

1. Fill a 475mL (16oz) cup with ice, add  $\frac{3}{4}$  cup of water (or cold milk) and pour into a blender.
2. Add 80g of Arkadia Double Shot Espresso Frappe Powder.
3. Blend for 30 seconds until smooth.

### GRANITA MACHINE

1. Mix at the ratio of 1 packet (1kg) to 3L of milk and 2L of water in a clean and sanitised container.
2. Pour mix into clean and sanitised granita machine.
3. Set granita machine to freeze as per machine operation manual.
